

The *Corvair Society of America*, founded in 1969 is the national parent organization to which *Heart of America Corvair Owners Association* belongs. For this reason all members of HOCOFA must also be members of CORSA.

CORSA divides the country into Eastern, Central and Western divisions with elected directors representing their regions.

An excellent monthly publication, *The Communique*, is delivered to all current members of CORSA. This professional magazine with its articles, technical tips, car and parts ads, and chapter news is well worth the CORSA dues by itself.

The yearly national convention is held at alternating regions of the country. There are also many Regional sanctioned conventions held for those who cannot make the national or want a fuller opportunity to "See the USA in their Chevrolet" - Corvair of course.

CORSA is international in scope with current members in Canada, Iceland, the Netherlands, France, Australia and Sweden.

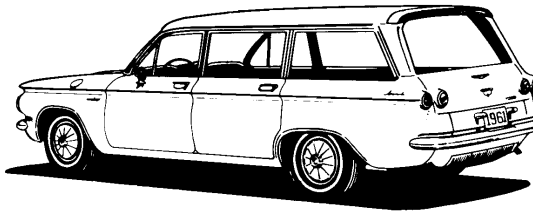

Online CORSA membership forms can be found at [Corvair.org](http://Corvair.org).

The *VairCor* is the official publication of the *Heart of America Corvair Owners Association*. It is published and mailed (or e-mailed) to all members each month. It is filled with articles by and about members, tech tips, car and parts ads, reports of recent events, and a calendar of upcoming events.

Ads are free to all members, the deadline is the 25th of each month.

Club e-mails are sent out periodically to remind, announce, and explain club happenings.

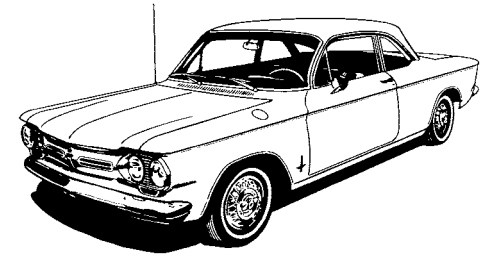

## HACOFA.ORG

*Heart of America Corvair Owners Association* maintains a website featuring information on upcoming events, contact information, club history, photo galleries, FAQs, the newsletter, and links to other Corvair related websites.

Online features include an electronic membership application should you chose to join our club. A copy of our bylaws is also posted on the site. Adobe reader is needed to access these documents.

## Welcome to *Heart of America Corvair Owners Association*

The purpose of Heart of America Corvair owners association is the preservation and restoration of all the Corvair manufactured Vehicles produced by the Chevrolet Division of General Motors between the years 1960-1969. Including Corvair powered vehicles such as Ultra Vans, Yenko Stingers, Fitch Sprints and Corvair powered off road vehicles.

We strive to bring together in a social organization all persons who are interested in our common goal.

For this reason we accept only those persons who own and/or operate a Corvair, a Corvair bodied vehicle or a Corvair engined automobile

# Heart of America Corvair Owners Association History

*Heart of America Corvair Owner Association* was formed by four Corvair enthusiasts in the spring of 1964. The club was incorporated in April of that year and has been in continuous existence since that time, thus allowing the club to claim the title of the oldest, incorporated, single marque, continually active Corvair Club in the country.

The original goal of the club was to promote the car as a competition sports machine. For this reason, the early club events centered on rallies and gymkhana events. The club soon broadened its goal to include family oriented and social events.

In the greater Kansas City area HACO has enjoyed very active membership through out the years. Because of its members the club has hosted many CORSA sanctioned events including the 1982 Vair Trek, our Twentieth Anniversary Celebration in 1984, the CORSA National Convention in 1989, our 40th Anniversary Celebration in 2004, and the Great Plains Round UP in 2007.

## HACO events

Meetings are held the second Tuesday evening of every month currently at Paul and Jack's Tavern, 1808 Clay Street North Kansas City, MO . Social time from 7:00 to 7:30 with the meeting beginning at 7:30.

After each meeting a program is presented. Topics range from mountain climbing to beer making to improving Corvair performance.

Twice a year our venue changes; in June we take our meeting out of doors to Sar Ko Par Park in Lenexa, KS. Our December meeting is our Holiday Party combining Thanksgiving, Christmas and New Year's celebrations. Holiday party venue change from year to year.

Each month there is usually at least one other social event; either a gathering at a members home, a parade, a car display, a night at the races, or attending a performance of a local play. Corvair Tech Session are presented from time to time as are Working Tech Sessions, where members help other members fix each others cars.

We hold our annual auction at the April meeting. Donated items are auctioned off during the meeting and the proceeds are given to charity.

In late September, or early October every year we participate in the Great Plains Round Up. This is a rotating regional convention hosted by one of four clubs from the cities of Oklahoma City, Wichita, Tulsa and Kansas City. The events are also attended by members of Texas, Colorado, Iowa, and Nebraska clubs.
